

TACONITE SEAL OPTION

NOTES:

- * Basic housing does not include bearing and accessories. The weight is subject to change.
- § For float unit application, order 1-housing, 2-labyrinth seals, 1-adapter sleeve. For fixed unit application, add 1-stabilizing ring to the above.
- † 4-hole base is also available and must be marked with a prefix F. SAF 222 and SAF 318 and up are standard 4-hole base.
